NADÈGE DUFOSSÉ, CFA

**Global Head of Multi-Asset,
Member of the Executive Committee**

Nadège has been the Global Head of Multi-Asset at Candriam since 2021. She is in charge of establishing the broad Asset Allocation investment strategy applied across Candriam and the management of Multi-Asset funds.

She began her career as a sell-side Equity Analyst at Exane BNP Paribas in Paris in 1997. In 2007 Nadège joined Candriam as a Multi-Asset Fund Manager based in Luxembourg. In 2011 she became a Senior Asset Allocation Strategist and developed the cross-asset research and communication. Nadège subsequently took the role of Head of Asset Allocation at Candriam in 2014, building a very strong track record for Multi-Asset risk-profiled and flexible funds.

Nadège graduated from HEC Paris. She is a CFA Charterholder and also holds a financial analyst diploma from the French Society of Financial Analysts.
